School Transition Days – 26th and 27th June 'Move-up Days' to new classes and teachers

Dear Parents

On the reverse of this letter is the list of classes for next year. On Wednesday and Thursday next week children move up to their new classes and work with their new teacher to help to prepare them a little for next year. They will spend both days there (to coincide with the Year 6s going to secondary school).

On the first day, Wednesday, children will go into the normal classroom at their usual times. They will move to their new class shortly after registration. **At the end of the day, they will come out of school from their new class**, so please collect them from the correct playground (for new Year 3 children, this means the junior school bottom playground at 3.20pm instead). On the **Thursday morning, they will need to go to their new classroom and once again come out there too.**

Please find below a reminder of the school day:

Year 1 & 2 – 8:45/9:00am until 3.10pm

Year 3, 4, 5 & 6 – 8:45/9:00am until 3.20pm

Mr Johnson would like to invite new Year 3 parents and guardians to an informal meeting on Thursday 27th June at 5.30pm in the junior school hall. Mr Johnson will talk about some of the minor differences between being in the junior school rather than the infants; there will also be an opportunity for you to have a brief look around the school. We expect the meeting to last about half an hour. We would prefer that children are not brought along to this meeting as they will have spent two days in their new classrooms by this point. Y3 class teachers will not attend the meeting.

I'm sure you too will soon get to know all the new staff as you meet them. Perhaps the most important aspect to remember from this letter are the drop-off and collection arrangements for the transition days; good practice for parents too, learning the new locations.

Yours faithfully

A handwritten signature in black ink, appearing to be 'PK' with a flourish at the end.
