

Mowden EXTRA

Family Information • Before and After School Provision

We are delighted to offer our in-house wraparound provision at Mowden Junior School. Mowden Extra is designed to give children a welcoming, play-led start and finish to their school day, with opportunities for craft, art, sport and outdoor play, weather permitting.

WHAT CHILDREN CAN EXPECT

Mowden Extra provides a welcoming, primarily play-led environment, with a range of activities including arts and crafts, creative play, and sports. Sessions are led by professional, friendly, and engaging staff, with opportunities for outdoor play whenever the weather allows. Children attending the before-school club are offered breakfast until 8.30am, while those attending the after-school club receive a drink and light tea. The school's existing allergen and dietary information will be used, so parents should inform the school office of any changes or updates.

BOOKING & PAYMENTS

Booking requests should be made via email. One-off or ad hoc sessions can be booked subject to availability; however, these sessions are non-refundable. Payments must be made via the ParentMail app and should be paid at least one calendar month in advance, by the 20th of each month. Childcare Vouchers from registered providers are also accepted.

BEFORE SCHOOL

7.30am to start of
school day

£5.00

AFTER SCHOOL

End of school day
to 6.00pm

£11.00

Sibling discount available

SAFE & SUPPORTIVE CARE

Children attending Mowden Extra are expected to follow the school's "Be Ready, Respectful and Safe" expectations, helping to create a positive and inclusive environment for everyone. A qualified paediatric first aider is on site at all times. Our team is fully committed to providing a safe and supportive setting, with all staff holding enhanced DBS clearance, first aid qualifications and safeguarding training. Staffing levels are appropriately maintained to ensure high-quality care and supervision for all children.
